Join Us at PAZ – Parametric Academy Zurich: Where Passion Meets Purpose

Nestled in the heart of Zurich Central, PAZ – Parametric Academy Zurich is on an ambitious mission to revolutionize the technological landscape through human-centered solutions, research, and development. We are driven by a shared passion for transforming ideas into impactful realities, and we are excited to invite you to be part of this journey!

Position Open: Archicad C++ Developer

This is not just a job—it's a golden opportunity to be a crucial part of our visionary journey. We are a boutique company with grand visions for the future. At PAZ, we don't merely hire employees; we welcome team members who are eager to make a difference and leave a lasting impact in the AEC industry. If you are motivated by innovation, continuous learning, and sharing knowledge, this role is tailor-made for you!

Role & Responsibilities: In this dynamic role, you will focus on creating logical, developmental, and user-centric tools to support the AEC Industry. We are looking for individuals with:

- Proficiency in C++ and OOP
- Experience with integrating and working with third-party APIs
- A deep understanding of BIM, Geometry, and Data
- Exceptional problem-solving abilities to debug, troubleshoot, and resolve complex software issues
- Knowledge of 3D Graphics Programming (preferred)
- A user-centric mindset

Qualifications: We value your educational background and experience in:

- Computer Science/Engineering Degree/Architecture
- Specialized courses or experience in BIM and CAD Software like Archicad, Revit, Rhino
- A commitment to continuous learning
- Proficiency in English and/or German

What We Offer: In return for your passion and dedication, we offer a competitive salary, extensive professional development opportunities, an innovative work environment, and unique perks. Whether you are seeking a Full-time or Part-time position, require flexible working hours, or prefer an On-site/Hybrid role, we have a place for you. You'll be joining a close-knit, dedicated team and playing a pivotal role in our continued success.

Application Process: Are you ready to embark on this transformative journey with us? To apply, send your CV and a motivation letter to andres@pazacademy.ch. For any questions or additional details, feel free to reach out to Andrés or Nora at andres@pazacademy.ch or nora@pazacademy.ch.

We are eagerly looking forward to meeting you in person.

Warm Regards, The PAZ Academy Team
